RE: Proposed Amendments to Trust Income Tax Reporting contained in August 15th, 2025 Draft Legislation

The Society of Trust and Estate Practitioners (Canada) sent a submission to Finance Canada on September 11th, 2025, to provide comments on the Department of Finance's August 15th 2025, draft legislation concerning enhanced T3 trust reporting requirements.

As practitioners dedicated to trust and estate planning, we recognize the importance of transparency and compliance in the administration of trusts. However, we remain concerned that certain aspects of the proposed rules may inadvertently impose disproportionate compliance burdens on taxpayers and their advisors.

Many thanks to the members of the committee, Kenneth Keung (Chair), Sébastien Desmarais (Deputy Chair), and members of the STEP Canada Tax Technical Committee for their thoughtful review and contributions.

The STEP Canada Tax Technical Committee is pleased to share this submission with its members [here](#) and in the "Resources" Section in your MY STEP profile on step.ca.
